PO BOX 1450
ALEXANDRIA, VA 22313-1450**TERMINAL DISCLAIMER TO OBVIATE A PROVISIONAL
DOUBLE PATENTING REJECTION OVER A PENDING
SECOND APPLICATION**

Sir:

Petitioner, Advanced Micro Devices, Inc., a Delaware corporation having a place of business at One AMD Place, Sunnyvale, California 94088-3453 is the owner of the entire interest in the instant application. Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending second Application Number 09/898,876, filed on July 3, 2001. Petitioner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the second application are commonly

owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, Petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of any patent granted on the second application, as shortened by any terminal disclaimer filed prior to the patent grant, in the event any such patent granted on the second application: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

In compliance with 37 C.F.R. §1.20(d), the commissioner is authorized to charge any fee required to Deposit Account No. 19-2386 for this Terminal Disclaimer.

The undersigned represents that he is authorized to sign on behalf of Petitioner.

I hereby certify that this correspondence is being emailed to the Examiner and deposited with the United States Postal Service as First Class Mail in an envelope addressed to: COMMISSIONER FOR PATENTS, PO Box 1450, Alexandria, VA 22313-1450 on February 8, 2006.
